

Legend Life®

Where brands live

100% Product Quality Guarantee

We demand the highest quality standard in our manufacturing. Our quality control process ensures our customers receive the best available. Every item we sell is backed by our 100% product quality guarantee.

Stormtech Quality Guarantee

Quality you can count on: all products are fully warranted to the original owner against defects in materials and workmanship for 3 years. If a product fails during that time due to a manufacturing defect, even after extensive use, we will repair the product, without charge, or replace it.

- The pictures of the items in our catalogue are not contractual. We reserve the right to change without notice, the product specifications or colours of any items in this catalogue.
- Measurements are subject to an acceptable tolerance.
- Decoration areas shown are approximate only and sizes indicated are the maximum areas available and should be taken as a guide only.
- Please check your decorator's recommendations and specifications before ordering decoration on your product.

- Whilst every effort has been made to ensure accuracy of colours in this catalogue, they should be used as a guide only due to the manufacturing and printing processes. Dye lot variations may occur.
- All orders are subject to product availability. We cannot be liable for delays due to material shortages, customs, shipping or acts of God.
- Logos or trademarks displayed on products in this catalogue are for the purpose of showing our capabilities only. These designs are not available for sale to anyone other than when

expressly authorised by the owner of such designs.

- Any accessories shown in this catalogue are not included in the price of the displayed goods unless stated.
- Colours shown are computer simulations of material colours.
- This catalogue is subject to copyright. Reproduction in whole or in part for publication by conventional or electronic means should be sought from us.

Legend Life®

Where brands live™

Since 1982 our brands have been market leaders and well established in New Zealand, Australia, the Pacific Islands, North America and Europe.

4012

Vor-Tech® Cap

VOR-TECH®
SPECIALISED APPARELLegend
Express®
LE3012**VOR-TECH®**

Exclusive to Legend, Vor-Tech® has been designed to offer incredible breathability and efficient waterproofing properties. Vor-Tech® fabric is a 2 layer structure which involves the lamination of the Vor-Tech® membrane with an outer nylon fabric providing wind and water resistance. The Vor-Tech® membrane coating is micro-porous*, allowing the cap to "breathe" as vapourised moisture from the head passes rapidly through the fabric to the outside, ensuring the insulating layers keep you dry and comfortable. This fabric utilises a durable water repellent (DWR), causing water to bead and run off the cap. Water is unable to soak into the weave of the outer fabric for the lifetime of the product. Legend takes pride in creating quality products which complement the waterproof, breathable performance that Vor-Tech® fabric delivers.

*Micro-porous technology involves a membrane design using pores which are much smaller than a drop of water, but much larger than a molecule of water. Perspiration easily escapes through the pores in the membrane as moisture vapour.

SPECIFICATIONS: • Heavy brushed cotton/spandex blend • Structured 6 panel low profile style • Pre-curved peak
• Embroidered eyelets • Patented fit system used under licence

DECORATION: TRANSFER: Centre Front - 5cm H x 10cm W
EMBROIDERY: Centre Front - 5.8cm H x 12cm W : Side - 4cm H x 7cm W : Back - Subject to logo
BADGE: Centre front and side

SUPERIOR SWEATBAND TECHNOLOGY utilises knitted 'air flow' elastic enhancing moisture management and temperature control.

COMFORT ZONE TECHNOLOGY the front area of the sweatband is dedicated to comfort. No abrasive elastic to rub against your forehead.

STRETCHES TO FIT features stretchable fabric in the crown to ensure maximum 'flex' for size variation and amazing 'recovery' to ensure your cap does not become sloppy and oversized with repeat use.

FREE 2 FLEX PATENTED TECHNOLOGY the sweatband system has no elastic band to rub against your head, no unsightly joins, seams or 'button hole'. The single uninterrupted 'sleeve' acts as a soft interface providing maximum comfort. The knitted 'airflow' elastic 'floats' freely within the sleeve to ensure maximum 'flex' without ever making direct contact with the wearer.

Vor-Tech® Bucket Hat

UPF RATING
50+
EXCELLENT
PROTECTION

**VOR-TECH®**

Exclusive to Legend, Vor-Tech® has been designed to offer incredible breathability and efficient waterproofing properties. Vor-Tech® fabric is a 2 layer structure which involves the lamination of the Vor-Tech® membrane with an outer nylon fabric providing wind and water resistance. The Vor-Tech® membrane coating is micro-porous*, allowing the cap to "breathe" as vapourised moisture from the head passes rapidly through the fabric to the outside, ensuring the insulating layers keep you dry and comfortable. This fabric utilises a durable water repellent (DWR), causing water to bead and run off the cap. Water is unable to soak into the weave of the outer fabric for the lifetime of the product. Legend takes pride in creating quality products which complement the waterproof, breathable performance that Vor-Tech® fabric delivers.

*Micro-porous technology involves a membrane design using pores which are much smaller than a drop of water, but much larger than a molecule of water. Perspiration easily escapes through the pores in the membrane as moisture vapour.

SPECIFICATIONS: • Teflon treated jacquard • UPF rating 50+ "Excellent Protection"
• Meets NZ Standard AS/NZS 4399 • Sales of this hat supports the Cancer Society • 6.5cm brim
• 45 degree tilted hat brim for sun protection • Microporous membrane • Incredible breathability and colourfast • Elastic sweatband

Southerner Oilskin Hat

UPF RATING

50+

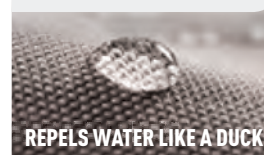

EXCELLENT PROTECTION

OILSKIN

The oilskin fabric is made of 100% tightly woven cotton that is impregnated with a solution of special oils and waxes to ensure maximum rain, snow and wind protection. Another common term used for this fabric is waxed cotton.

This makes the oilskin a highly durable and long-lasting product. Unlike synthetic and nylon products, the oilskin has a natural feel and because it is a natural product, it provides excellent breathability.

REPELS WATER LIKE A DUCK

SPECIFICATIONS: • Highly resistant to wind and rain • Keeps you dry, comfortable and protected from harsh weather • UPF rating 50+ "Excellent Protection" • Meets NZ Standard AS/NZS 4399 • Matching leather hat band and brim trim • 3 brass eyelets on both sides • Green tartan and black fabric lining • Heavyweight elastic sweatband

DECORATION: DYE SUBLIMATION: Front Panel - 33cm W x 22cm H

Dye Sublimation

Sublimation is a printing transfer process which uses heat sensitive sublimation inks to permanently dye synthetic fabrics. The process, which is called "Dye Sublimation", involves the use of a special heat sensitive dye to print your design onto paper. The printed paper is then placed with the synthetic fabric into a heat press and pressed for a pre determined period.

The sublimation cycle transfers the design from the paper to the fabric. Sublimation is always done on white synthetic materials and at high temperatures. As the sublimation process actually dyes the fabric, the colour is "in" the fabric and not on top, as is the case with traditional screen printing methods. This gives a much better feel to the product, as well as colour fastness and the ability to print unlimited colours. As only white fabrics are suitable for sublimation printing, any "white" that you see in a sublimated design will actually be unprinted fabric. Sublimation gives you the ability to create colourful, long lasting designs on these products - so get creative!

EG

EUROGIFTS.CO.NZ

A collection of 'the modern classics' branded electronic devices, including a digital clock, a smartphone, a tablet, a laptop, a desktop monitor, a keyboard, and a small digital scale, all featuring the brand's logo and design.

A collection of branded travel accessories. From left to right: a large green duffel bag with a black drawstring and the 'Royal Pacific Travels' logo; a pair of silver ballet flats; a grey U-shaped neck pillow with a small logo; a black and white travel bag with the 'Unforgettable Moments' logo; a rolled-up black umbrella with the 'Royal Pacific Travels' logo; a black backpack with the 'Royal Pacific Travels' logo; and a large green rolling suitcase. A small metal carabiner is also visible on the right.

A collection of URBAN X20 triathlon accessories. From left to right: an orange can cooler with 'URBAN X20 triathlon' text; a red paddle with 'X20 triathlon' text; a green bike repair tool; a blue bike rack with 'URBAN X20 triathlon' text; a black bike light with 'URBAN X20 triathlon' text; a black bike pump with 'URBAN X20 triathlon' text; a GoPro camera in a clear protective case; and a blue and black digital watch displaying '13:13' and '33' on its screen.

A collection of Natural Foods branded items including a blue lunchbox, a clear water bottle, a green cup, an orange water bottle with "Sport and healthy living" text, a measuring cup, a coffee cup, and a digital scale.

A collection of Waterpark brand children's toys and stationery. On the left, three colored pencils (orange, green, pink) stand vertically, each with 'WATERPARK' printed on it. Next to them is a small wooden pencil holder with 'WATERPARK' and 'the world's adventures' printed on it, containing several pencils. To the right is a larger wooden pencil holder with 'WATERPARK' and 'the world's adventures' printed on it, also containing pencils. In the center is a brown teddy bear wearing blue overalls with 'WATERPARK' and 'the world's adventures' printed on them. To the right of the bear is a red piggy bank and a yellow rubber duck. Further right is a green bucket with a yellow handle, with 'WATERPARK' and 'the world's adventures' printed on it. To the right of the bucket are three pens with character heads: a green pen with a pirate head labeled 'VEGA', a blue pen with a clown head labeled 'MAITE', and an orange pen with a girl head labeled 'EMMA'. In the foreground on the right is a pair of pink sunglasses.
